- Adjustment of the front: ± 2 mm in vertical and ± 1 mm in horizontal.
- Made of anthracite gray painted steel.

Product Information

Vertex Kit for kitchen and bathroom drawer with all the necessary elements for its assembly. It is the optimal solution for your kitchen, bathroom or wardrobe furniture with an **elegant design in anthracite gray and white finish**. Each kit is made up of all the elements necessary for mounting an external drawer of **93 mm height for modules with a side thickness of 16 mm**, with various module widths. Includes: two sides, one set of soft-close runners, one set of covers and drawer front hooks.

The metal sides are made of steel with **anthracite gray and white painted finish** and allow the drawer front to be adjusted **± 2 mm vertically and ± 1 mm horizontally**. The guides are **total extraction with soft closing and allow a maximum load of 40 Kg** for the drawer.

You will only need the boards cut to the correct dimensions for the bottom, the back and the front of the drawer.
